# Aufgabe

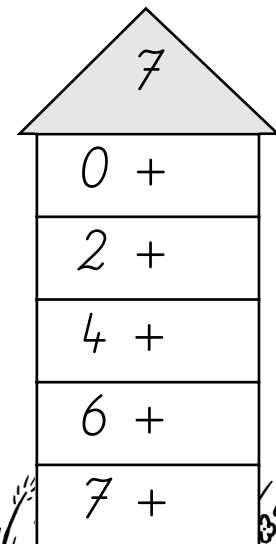

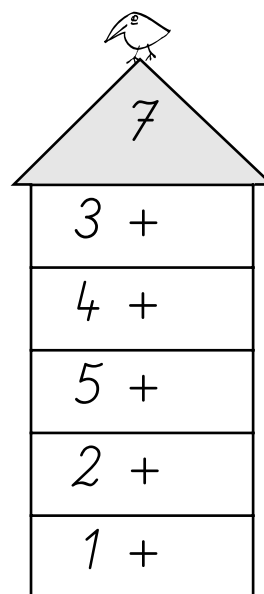

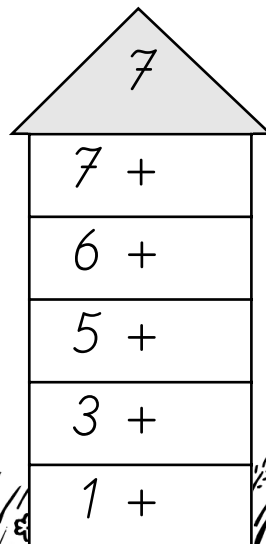

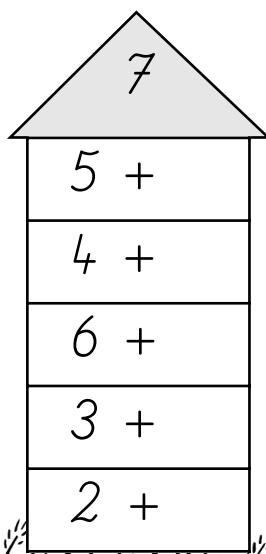

In jedem Haus stehen Aufgaben mit dem gleichen Ergebnis.

Das Ergebnis steht im Dach!

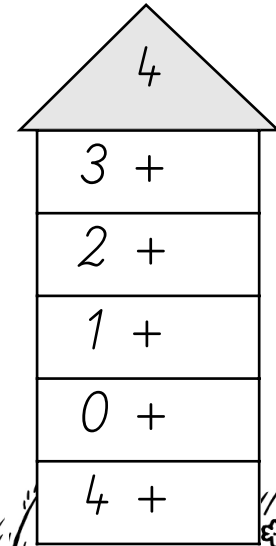

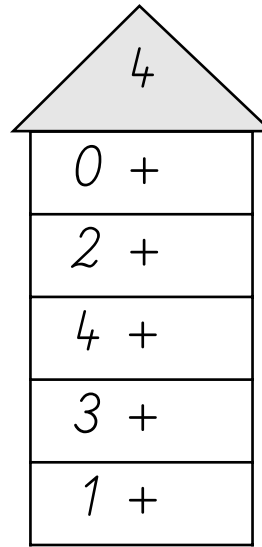

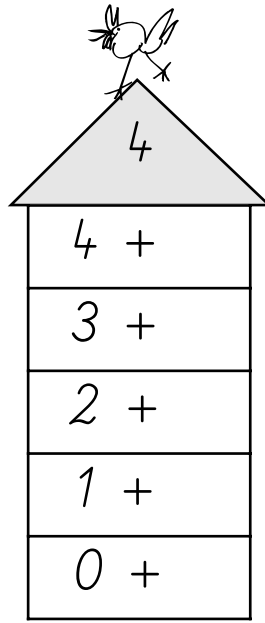

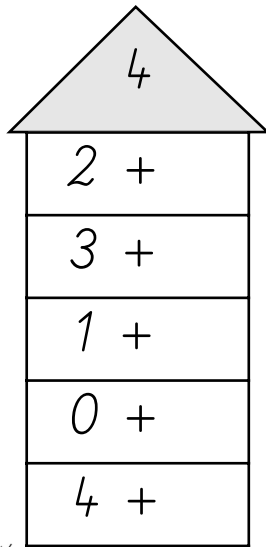

Ich freue mich, wenn du zum Schluss das Heft farbig anmalst.

## Immer 7

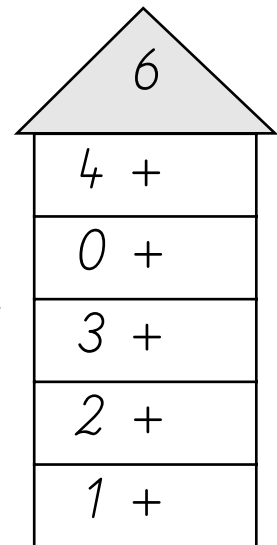

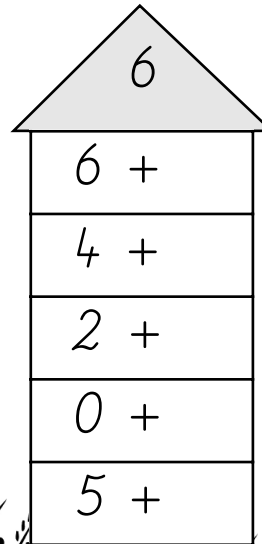

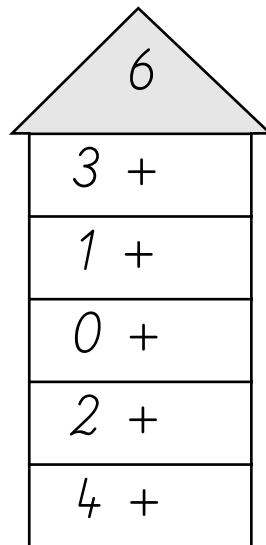

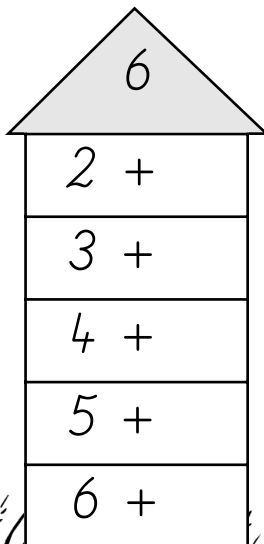

## Immer 4

## Immer 6

Längsfeld — Zahlenhäuser 1-01

# Immer 5

Four houses are arranged in a row. Each house has a triangular roof with the number 5. The rooms contain the following addition problems:

- House 1: 4 +, 3 +, 2 +, 1 +, 0 +
- House 2: 1 +, 2 +, 3 +, 4 +, 5 +
- House 3: 3 +, 2 +, 4 +, 1 +, 5 +
- House 4: 5 +, 0 +, 4 +, 1 +, 3 +

A small bird is perched on the roof of the second house from the right. The houses are set on a patch of grass with small flowers.

Zahlenhäuser 1-01

# Immer 7

Four houses are arranged in a row. Each house has a triangular roof with the number 7. The rooms contain the following addition problems:

- House 1: 3 +, 5 +, 1 +, 2 +, 0 +
- House 2: 7 +, 6 +, 5 +, 3 +, 4 +
- House 3: 0 +, 6 +, 3 +, 2 +, 4 +
- House 4: 4 +, 6 +, 7 +, 1 +, 2 +

A bird is flying above the first house. The houses are set on a patch of grass with small flowers.

Zahlenhäuser 1-01  
Längsfeld

# Immer 6

Four houses are shown, each with a triangular roof and a rectangular body. The roofs contain the number 6. The bodies contain math problems. A small bird is perched on the roof of the second house.

## Haben dir die Aufgaben gefallen?

Ich habe noch weitere Aufgaben mit Zahlenhäusern vorbereitet.

Sieh sie dir doch einfach einmal an!  
Vielleicht gefallen sie dir.
